Who said Kuhio wants to be a
governor?

SAY what they may concerning
the Kapaa land deal, but the man
who is directing the affairs from
this end, is a "Fairchild" under all
circumstances.

"BUGOLOGISTS" are now trying
to discover a way of transforming
the "Mediterranean Fly" into the
"Shoo Fly."

OUR bachelors who are spend-
ing so much of their time in court
now a days say that courting is
not at all that it is cracked up to
be.

WILLIS T. POPE, Superintend-
ent of Public Instruction, has had
the honor of being appointed on
the Board of Directors at the Na-
tional Educational Association
which is holding its convention in
San Francisco.

WITH last Sunday's ball games,
the Kauai League finished its first
half of the present series. There
has been no accident of even the
slightest nature at any of the games,
the finances of the league are O. K.,
and the enthusiasm even
greater than at the beginning of
the series.

THE report circulated that he
wrote a letter to Supervising Princip-
al McClusky, instructing him to
keep back the Japanese girl who
figured somewhat prominently in
the Richmond case, is emphatically
denied by acting superintendent
Gibson who states that her record
did not show the sufficient number
of points and he presumed she
never had made them.

THE Evening Bulletin of the 11th
inst., publishes a full report of
the work of the Territorial Teach-
er's Association for 1910-1911,
which makes very interesting read-
ing. There is not, however, any
mention made of what the Kauai
teachers are doing. A Teachers'
Association for Kauai is certainly
in order and any delay in taking pre-
liminary steps in the organization of
such bespeaks lack of knowledge
upon the part of teachers as to their
best interests.

THERE may be no graft in con-
nection with the recent "Clean-
up" campaign carried out in Ho-
nolulu, but there is certainly much
food for thought as to how much
rubbish could accumulate in the
immediate vicinity of some of Ho-
nolulu's select residential quarters.
Is the Board of Health Department
deprived of sufficient help to pre-
vent the accumulation of filth to
such an alarming extent? Are the
present members of the Board of
Health subject to "cold feet" when
they approach the residence of a
citizen who may happen to own
sugar stocks? Is the department
paying a salary commensurate with
the requirements of the duties im-
posed on its inspectors? Surely an
investigation of the Board's affairs
along these lines, we believe, would
have much to do with obliterating
the "graft" charges. The locating
of hundreds of cart loads of filth
and rubbish in a single day, in a
city which has the number of in-
spectors Honolulu enjoys, indicates
very strongly, a state of affairs for
which most extraordinary circum-
stances must be held responsible.
It is up to the Board of Health to
locate the cause—which will most
likely be other than "graft."

Kauaians Asked to Join New Baseball Schedule

HONOLULU July 10th, 1911.
Kauai Athletic Association,
Lihue, Kauai.
[K. C. Hopper, Esq.]

My dear Mr. Hopper:
At a meeting of the Board of
Managers of the Hawaiian Associa-
tion of the Amateur Athletic Union
of the United States of America, it
was decided to hold an Aquatic
Meet in Honolulu on "Admission
Day"—August 12th, 1911—for the
purpose of establishing swimming
and other aquatic records for the
Hawaiian Islands.

This aquatic meet will be held
at Bishop's Slip, and the following
events will be contested:

1. 50 yards swimming race,
2. 100 "
3. 220 "
4. 440 "
5. 800 "
6. One mile swimming race
7. 300 yards relay swimming race
six men to a team and each man
to swim 50 yards.
8. Plunging for distance,
9. Diving Contest, [not to count
in club points.]

Prizes will be given to the first,
second and third contestants in
each event, and a prize will also
be given to the club scoring the
most points. Club points to
count: Winner, 5 points; Second,
3 points; Third, 1 point.

We would like to see a strong
delegation of Swimmers from
Kauai, and if any of the Kauai
boys will care to come and enter
these events kindly let me know
and I will immediately take up the
question of transportation expenses
and taking care of the boys while
in this city at the least possible ex-
pense to them.

This projected Aquatic Meet has
met with great enthusiasm here and
we expect to see some good Island
records established which will com-
pare favorably with those of the
mainland. The boys of Kauai are
natural swimmers and this will be
an excellent opportunity for them
to show their prowess to the world
at large as the records made and
the names of the winners will be
forwarded for printing in the an-
nual Year Book of the A. A. U.

Kindly let me hear from you at
your early convenience.

Very truly yours,
HAWAIIAN AMATEUR ATHLETIC
ASSOCIATION
LORRIN ANDREWS
Treasurer.

The Last Sunday Games

The Kapaa diamond was the
scene of considerable excitement
Sunday, the climax of which was
reached in the eighth inning, when
the Elelees threw up the sponge
as the result of what they con-
sidered a "rank" decision by the
base umpire. The game stood five
to one against Elele at the time
the dispute arose which fact is

given by some to be partly respon-
sible for Elele's attitude.

A protest has been filed by the
manager of the Elele team, but
as the game was discontinued be-
fore the full nine innings were
played, it is not generally believed
that such will stand. The Kawai-
hau team showed big improvement
in their team work, and will no
doubt occupy a prominent place in
the last half of the series if the re-
cord made Sunday is kept up.

In the presence of a large aggre-
gation of enthusiastic fans, the
Koloas cleaned up the Home-
steaders on the Koloa diamond
Sunday. Paul Kahlbaum caught
for the home team, and showed up
in his usual fine form. The Ko-
loas made every lick count, and
gave evidence that they were de-
termined not to be satisfied with
their per centage standing. The
little Homestead farmers played
the game for all that was in them
but fate seemed against them. A
score of thirteen to five brought
the hard-fought contest to a final
close, with Koloa in the lead.
